

Path to Membership UU Church of Waterville

Whether you are new to our church or have been attending regularly, you may wish to make the commitment to become an official member. Following are some questions you may have on becoming a member:

What does becoming a member mean?

Simply stated, it is the commitment to share your unique gifts and talents for the well being of the whole.

How do I become a member?

The process is simple. You will be invited to meet with the minister and one or two Membership Committee members to learn about the history and traditions of Unitarian Universalism as well as opportunities for you to become involved in your church community.

When can I become a member?

Once you have attended these two informational sessions, you will be ready to sign the membership book in a special ceremony. These ceremonies are called New Member Sundays and are held during January, April and October.

Whom do I contact for more information?
